

# Volunteer Role Profile

Volunteer Role	<b>English Football League Diabetes Champion</b>
Volunteer Manager	<b>Volunteer Manager</b>
Where you will be based	<b>Community</b>

## Why we want you

The role of the English Football League (EFL) Diabetes Champion will build on our links with English Football League clubs in the region, ensuring that our relationships are positive, relevant, and benefit everyone. You will ensure that the club is kept fully informed of our work locally and are given the opportunity to contribute to this work.

## What you will be doing

- Build/maintain relationships with key people at EFL clubs in your area.
- Share regular updates on our work with EFL clubs, by attending meetings, emailing bulletins, newsletters etc.
- Help to plan and attend awareness raising events and/or fundraising on matchdays.
- Represent Diabetes UK at any health and wellbeing events that are created with or hosted by the EFL club in your area
- Explore opportunities for raising awareness of Diabetes UK campaigns, membership and/or the benefits of peer support within the club.
- Keep the regional team updated on your activity and the work of the EFL club(s) in your area.

## The skills you need

- Enthusiastic about helping us to get our key messages into the community.
- Enjoy meeting new people and happy to volunteer as part of a team.
- Open to ideas about how we could build on the project to maximise the impact of our work.
- An interest in football could be useful but is not essential.

## What's in it for you

- The opportunity to be a part of an exciting community partnership and outreach project
- A full induction and role specific information, including access to relevant online training modules.
- Regular opportunities to meet with your main contact, as well as networking sessions with other volunteers.
- Support to make connections with key contacts at EFL clubs in your area.

- The opportunity to learn new skills
